REPRESENTATIVE THOMAS NELSON ANNOUNCES
APPROVAL OF SHAWANO MUNICIPAL AIRPORT PROJECT

MADISON – Representative Thomas Nelson (D-Kaukauna) is pleased to announce approval of funding for a Shawano Municipal Airport project by Governor Doyle. Governor Doyle released \$6,217 in state funds for the project, an amount that will be matched by the city and county of Shawano. An additional \$232,840 will be contributed by the Federal Aviation Administration. The funding will pay for construction of deer fencing around the airport, to prevent wildlife from causing runway and taxi incursions.

“I commend the Governor for his swift approval of this project,” said Rep. Nelson. “It will serve a critical purpose both in terms of public safety and consumer satisfaction.”

According to the Department of Transportation, the project is scheduled to be completed in the spring of 2010.
