MAJORITY LEADER NELSON STATEMENT ON FEDERAL STIMULUS PACKAGE

Madison -- Majority Leader Thomas Nelson (D-Kaukauna) released this statement regarding the details of a federal economic stimulus package.

"It is estimated that the federal stimulus package will create or protect over 70,000 jobs in the State of Wisconsin. At a time when our most important priorities are getting people back to work and reviving our state economy, this is great news for Wisconsin."

"We still have a lot of challenges to face during the upcoming months, but the Assembly has already taken aggressive steps to create jobs and spur economic growth. We will continue to work in partnership with the Governor, the Senate, and our Congressional delegation to restore economic security for the people of Wisconsin."
